## ST. MONTFORT SCHOOL, PATEL NAGAR, BHOPAL Report on Teachers Day

There is a famous chant -

"Gurur Brahma Gurur Vishnu Gurur Dev Maheswara, Guru Saakshat Parabrahma Tasmai SriGurave Namah."

Meaning -that while "We consider the Creator God Brahma, the Protector God Vishnu and the Luminous God Shiva as Guru, it is the Supreme Self which is the real Guru".

Greeting all the Gurus aka teachers, educators, pedagogues, known by many names all around the world but the only similarity of teaching, makes each one of them unique in their own way. As 5th September has been marked as Teachers' Day throughout the country. This day is dedicated to the great teacher, Dr. Sarvepalli Radhakrishnan, former President of India. On this occasion, the little ones of St. Montfort School kindergarten took initiative to felicitate and display their affection towards their teacher on 4th of September by partaking in different activities like dancing, singing, card-making etc.to make the day an unforgettable one. With great intention of honoring all the teachers, children presented and performed their best with the unimaginable yet different activities via videos. They poured their heart out to express their love for the teachers. The day was made special for the teachers as their little ones worked so hard exclusively for them. Teachers were delighted and felt proud the moment they saw the children performing for them. Through this activity, we came to know how innovative, talented, and powerhouse of energy, children are. For such commendable activities, children were rewarded with certificates of appreciation.
